²⁾ **Daily choice lift passes** are person-specific (photo) and therefore not transferable. The points are redeemed automatically the first time you pass the electronic reading devices, whereby the time shown on the reading device is decisive. Please observe the display! Points deduction: before 11:50 am = 3 points; after 11:50 am = 2 points; after 3:00 pm = 1 point. Daily choice lift passes are only valid in the winter season in which they were issued. Out of fairness, we offer the following: points remaining from the previous season can be used up until 10 Jan. of the following winter season.

When a new lift pass is purchased by 10 Jan. points remaining from the previous season will be added on (older points will be forfeited without exception!) up to a maximum of the same number of points contained in the newly purchased daily choice lift pass. Points left over from the previous winter season will be forfeited without exception after 10 Jan. of the current season. Residual points can no longer be taken into account from this date, even if a new lift pass is purchased. Subject to the tariff regulations of the Arlberg ski pass pool.

³⁾ **Lift passes sold in advance:** for the following day, from 2 pm. Can be used from 4 pm the day before they become valid. Ski passes are valid on consecutive days.

⁴⁾ **When restrictions apply** in Lech-Oberlech-Zürs and/or Warth-Schröcken these tickets will be issued in St. Anton, St. Christoph and Stuben and at Sonnenkopf with limitation of validity for the respective lifts/cable cars.

⁵⁾ **Proof of age required.**

⁶⁾ **Children are conveyed in accordance with the terms and conditions outlined in the conditions of conveyance.**

To avoid waiting at the lift pass cash desks many hotels/guest houses offer the option of obtaining lift passes directly at the premises (without extra charge). Please enquire about this at your accommodation.
